Feel free to use your return address label to fill in the address sections above. It's easier than writing in the provided space and it's easier for the secretary to get your information correct. Please make sure your name is written as you want it published, including nicknames, Jr., III, etc.

Telephone numbers will be published in the Membership Directory unless you tell us not to do so. Please make this clear on your application.

Email addresses will not be published but may be used by the Executive Committee to contact you about roster changes and other Association business.

Members who routinely snow bird or have dual residences should provide both addresses on the back of this form and indicate the dates of residence for each. Please indicate which address is your primary residence.

Dues are collected for a calendar year and should be paid by January of that year. Dues paid by new members in the last quarter of the year are good until December 31st of the following year.

Please check your mailing label on the Trailblazer magazine. It shows when your membership will expire. If you are a Life Member, your label should reflect that.

Dues can be waived for Trailblazers with financial hardship. Please contact the treasurer or any member of the Executive Committee, if you would like to join.

Completed membership applications should be sent to:
